

NISSAN NAVARA (D40) WORKSTYLE EDITIONS

These Canopies come with many standard inclusions such as:

Standard Features

- 2 SIDE LIFT UP DOORS as standard - in either SOLID or as an optional extra 'Glass'
- Tinted Rear Windows
- Higher Clearances 'styled to your vehicle'
- Wider side & rear door openings - better access, ideal if intergrated with our shelving systems. Electrical contractors love it.
- Single door handle, ease of use if you don't have both hands free
- Robust construction, reinforced rear Tailgate
- Integrated Rear brake light
- Interior LED Dome Light.
- 6 point clamp system: **No Drilling.** Fitting instructions provided.

WorkStyle Canopy - Canopies for dual cab utilities ideal for the tradesmen or site vehicles.

Featuring higher clearances for better access, these canopies are robust, stylish and practical.

Fully Optioned already! Other retailers charge more for many of these inclusions.
